

Manage access to your **business**
with a **simple app.** *

**Key Fobs & Key Cards also available*

Be there when you can't be there.

Centrios allows you to manage access to your business by connecting your Centrios Locks and Smart Readers with a simple-to-use mobile app. With Centrios, you can unlock doors with a touch of your phone, manage access for all employees and visitors in one place, and view audit and event reports.

Pick the subscription plan that best meets the needs of your business, starting at free, and experience seamless access management at your fingertips. Centrios makes it easier than ever to **be there when you can't be there.**

Metropolitan Door Industries is an Authorized Dealer Partner of Centrios. The full line of Centrios products are available from MDI.

Software and Hardware made for **small businesses.**

Mobile App

The Centrios Mobile App is designed to work seamlessly together with Centrios hardware. **Get started, enroll devices, add users, manage schedules, and access your business** all in one place!

Padlock

Designed for commercial use, the Centrios Padlock combines cutting-edge technology and durability to keep your assets secure at all times. Padlock almost **anything!**

Cylindrical

The cylindrical lock is ideal for your exterior and interior openings including: **front doors, back doors, store rooms, offices bathrooms, and more!**

Smart Reader

The perfect solution for **storefronts, employee entrances, store rooms, gates, offices, automatic doors, and access control retrofits.** The Smart Reader can be paired with other electronic access control devices to better manage your business.

Subscription plans that suit **you.**

No contracts. No hidden fees. No fine print.

Subscription plans are created by the end-user or installer upon completed installation and are managed directly between the end-user and Centrios.
